**Ingredients:** Proprietary micronutrient formula, water

**Packaging:** 5L bottle - Ready to use

**Min. Order Quantity:** 4 x 5L bottles.

MSDS available upon request.

Manufactured in Canada.

**ecosenses**  **Drain Detox** eliminates organic odour in sewage and wastewater pipes and tanks by encouraging the growth of "good bacteria" to break down odour-causing organics. Formulated with our proprietary micronutrient formula, Drain Detox delivers long-lasting odour control, maintaining clean and odour-free drains and toilets.

## Benefits to you:

-  Improves and maintains health of pipes and drains
-  Breaks down organics and scum without corroding pipes and drains
-  Eliminates and controls foul odour
-  No harmful chemical reactions makes it safe for regular use
-  Simple and safe application

**ecosenses**  solutions are made from natural ingredients and are specially formulated to be safe for children, pets, and our planet.

-  **pH-neutral** solutions that will not damage surfaces and delicate fabrics
-  **100% biodegradable**, thus more environmentally sustainable
-  **Non-toxic, no alcohol, and hypoallergenic** for additional safety

AN INNOVATION BY **ecosoft** 

**Canada – EcoLogo** The EcoLogo label means a product is safer for human health and the environment. A widely recognized eco-label in North America, EcoLogo certifies products that have less of an impact on the environment because of how they are manufactured, consumed and disposed of. EcoLogo products have lower carbon emissions and minimise chemical exposure.
