ecosenses[®] Super Surface Cleaner is formulated with our unique plant-based Enzyme Technology, delivering long-lasting cleaning action. It eliminates foul odours and removes all dirt, grease, and grime, keeping your surfaces clean and safe from harmful chemicals

Benefits to you:

- Provides long-lasting action for stain removal
- Increases ease of cleaning
- Eliminates foul odour
- Saves water during cleaning process
- Cleans and protects all surfaces
- Improved alternative to traditional chemical cleaners

ecosenses[®] solutions are made from natural ingredients and are specially formulated to be safe for children, pets, and our planet.

- **pH-neutral** solutions that will not damage surfaces and delicate fabrics
- **100% biodegradable**, thus more environmentally sustainable
- **Non-toxic, no alcohol, and hypoallergenic** for additional safety

AN INNOVATION BY **ecosoft^T**

US Environmental Protection Agency – Design for the Environment The DfE label means a product is safer for people and the environment. The US EPA Design for the Environment (DfE) label is awarded to products that do not pollute air or waterways, do not add harmful chemicals to the land, and are safer for fish and other aquatic life.
